

## Designed to Last !

### Free Delivery

Delivery to your home or business premises, drop off at the closest point of entry.

### Quality control

Each tank produced is monitored, we record its weight and quality then assign a serial number. We can trace it for years to come.

### 10 Year Warranty

Strong, reliable, durable and safe, manufactured from food-grade materials.

### Information

RotoTank™ manufacture tanks with the highest kg ratio, we are known as the heavy weights of the industry.
